AS AN INTEGRATED

GRAPHIC SUPPLY

CHAIN PARTNER,

WE WORK EVERY DAY

TO DELIGHT THE

CUSTOMER THROUGH

A PARTNERSHIP

FOCUSED ON GROWTH

AND EFFICIENCY.

# WE HAVE ONE GOAL: HELPING YOU GET WHERE YOU WANT TO BE.

## CONSUMER BRANDING

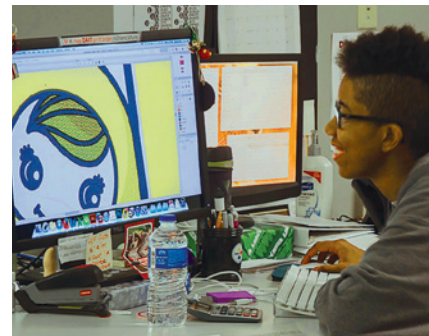

### We help you get there by:

- Reinforcing brand integrity via concept, design and prepress, while overseeing the process to ensure consistent replication
- Managing printer/converter processes through delivery of products to the floor
- Eliminating unnecessary supply chain steps, reducing project cost and increasing speed to market

## PRINTER/CONVERTERS

### We help you get there by:

- Listening and helping enact a broad range of technical solutions as a value-oriented business partner
- Providing consistency in print replication through prepress technology services, including complex color separations and plate processing
- Implementing new products in prepress and color management for higher quality results

- Improving efficiency to decrease the downtime between print jobs and increase sales volume capacity

## ENVIRONMENTAL SIGNAGE

### We help you get there by:

- Serving as a single turnkey resource for the branded environment
- Providing options that meet expectations for high-end appearance, budget and deadline

# One convenient, reliable resource can take your branding to the next level.
